

Turandot: Act I

Alchemy, Kabbalah, and the
Mysteries of the Divine Mother

The funeral ordeals of the thirteenth arcanum developed as a profound opera within the great archaic mysteries.

The austere hierophants of the great mysteries rose from within the old sepulchers of ancient times.

The old operas of the thirteenth arcanum resounded with their ineffable melodies in the terrifying night of the centuries within the subterranean caverns of the Earth.

—Samael Aun Weor, *The Aquarian Message: "The First Begotten of the Dead"*
