Melchizedek: Righteous King

And Melchizedek king of Salem brought out bread and wine: and he was [is] the priest of the most high God. And he blessed him, and said, "Blessed be Abram to the most high God, possessor of heaven and earth, And blessed be the most high God, which hath delivered thine enemies into thy hand." And he gave him tithe from all.

—Genesis 14:18-20

Melchizedek in the Qur'an

The story of Moses and his master, Melchizedek, is related in the Koran. It should be read by every searcher of Truth and every occult student, for it teaches that the Kingdom of Heaven can only be taken by energy. —M., *The Lord God of Truth Within*

And [Moses] found a servant [Khidr] from among Our servants to whom we had given mercy from us and had taught him from Us a certain knowledge [marifah in Arabic, gnosis in Greek, da'ath in Hebrew, experiential knowledge from the awakened consciousness].

Moses said to him, "May I follow you on the condition that you teach me from what you have been taught of sound judgment?"

He [Khidr, Melchizedek] said, "Indeed, with me you will never be able to have patience [because his level of being is superior and more radical, revolutionary]. And how can you have patience for what you do not encompass in knowledge?" —Surah Al-Kahf, "The Cave," verses 65-68

Prayer for the Irradiation of Love

May all beings be happy!
May all beings be joyful!
May all beings be in peace!

AUM… AUM… AUM…

Holy and blessed be His unpronounceable name
Now that the sacred mystery of the letter has been verified.
Meanwhile I shall proceed towards more occult places.

Visualize and Imagine Entering into the Earth

Let us then distinguish between what is the merely geological, physical, and tri-dimensional part of the Earth, and what are the superior dimensions and infra-dimensions of the interior of the Earth.

—Samael Aun Weor, *The Gnostic Bible: The Pistis Sophia Unveiled*

The Infradimensions and the Earth's Center

In the Averno there exists the darkness, and also the Darkness of the darkness. The Averno is found situated within the nine submerged, mineral infra-dimensions. These nine infradimensions are within the interior of the planet Earth.

Nevertheless, do not confuse the nine submerged infra-dimensions with the merely geological part of the world Earth.

It is useful to clarify that the merely physical geological part of the world Earth is hollow.

Let us remember the survivors of Lemuria, Atlantis, etc. They still live in Agarthi, the interior part of the Earth.

The divine humanity of Agarthi works and lives under the personal direction of Melchisedek, the King of the World. Multiple entrances lead to the Kingdom of Agarthi. Some of these entrances are guarded by fierce tribes.

—Samael Aun Weor, *The Gnostic Bible: The Pistis Sophia Unveiled*

The Superior Dimensions in the Earth

Nine superior dimensions also exist within the interior geological part of the world.

The secret temples of the conscious circle of the solar humanity (which operates upon the superior centers of the Being) are found situated within the nine superior dimensions.

Creatures and terribly divine forces operate in the nine superior dimensions of the planet Earth.

—Samael Aun Weor, *The Gnostic Bible: The Pistis Sophia Unveiled*
