Psalm 119

89 Oh Iod-Hovah your Word is settled in heaven forever.
90 Your fidelity is to generation and generation; you founded the earth and it still stands.
91 To this day, they stand according to your judgments, for all are your servants.
92 Unless your law was my delight, then I had perished in my grief.
93 I will never forget your precepts, for through them you gave me life.
94 I am yours save me, for I have sought your precepts.
95 The wicked waited for me, to destroy me; I will consider your testimonies.
96 I have seen an end to all perfections, your command is exceedingly broad.
Lev Meivin Daath: “A heart that understands knowledge”

“King of Kings...” – Revelation 19:16
“You who are searching for initiation, you who read immensely, you who live fluttering from school to school always searching, always longing, always sighing, tell me with sincerity... Did you awaken your Kundalini? Did you open the seven churches of your spinal medulla? Did you incarnate the Lamb? Answer me beloved reader, be sincere with your own self. Put your hand on your heart and answer me with sincerity, are you Self-realized? Are you sure that with your theories you will convert yourself into a God? What have you achieved? What have you received with all your theories?”
