Arcanum 16: Fragility
To Prevent Falls
The Solar and Lunar Bodies
The Awakening of Consciousness
Psalm 119

121. I have done the just and right thing; do not leave me to my oppressors.

122. Be surety for your servant for good; let not the proud oppress me.

123. My eyes fail for your salvation, and for the word of your righteousness.

124. Deal with your servant by your mercy; and teach me your statutes.

125. I am your servant; make me consider and I will know your testimonies.

126. It is time for Jah-Havah to work; they have broken your law.

127. So I have loved your commands more than gold, even fine gold.

128. So I count wholly right all the precepts; I have hated every false way.
