

Preparation for Initiation

The Secret Path of Initiation

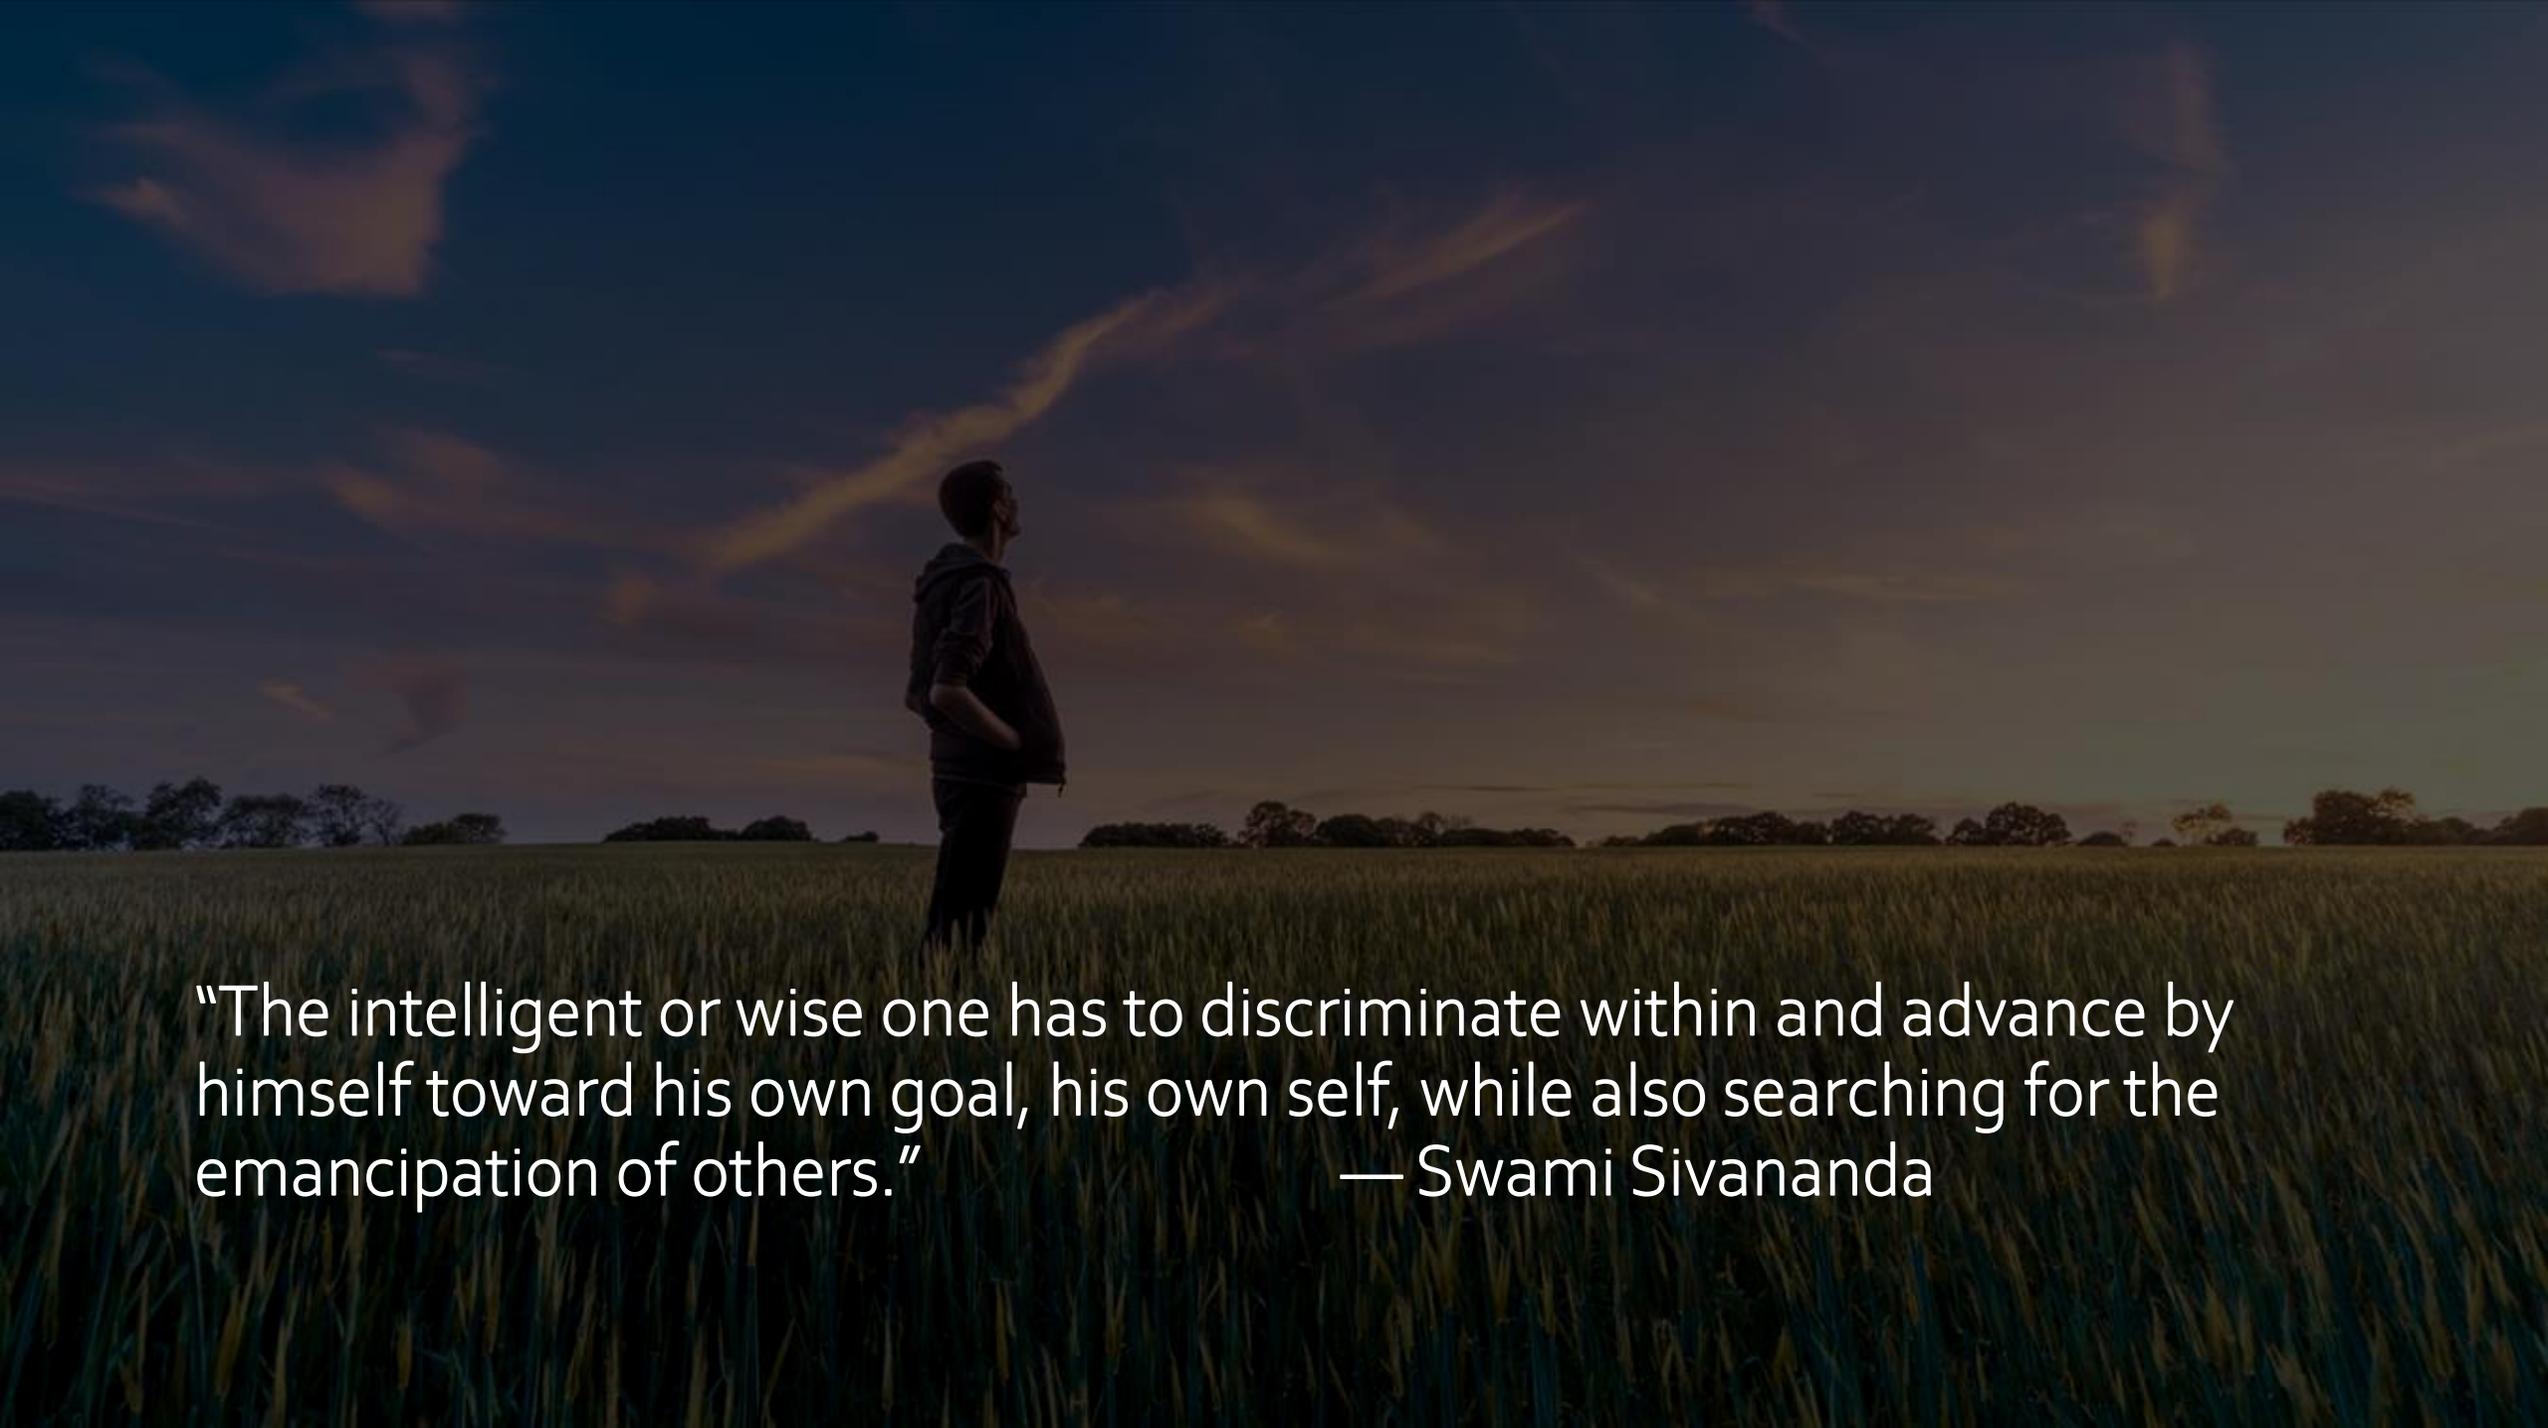

What is Initiation?

"All philosophies are mental fabrications. There has never been a single doctrine by which one could enter the true essence of things."

— Nāgārjuna

“The intelligent or wise one has to discriminate within and advance by himself toward his own goal, his own self, while also searching for the emancipation of others.”

— Swami Sivananda

Rune Rita

“The present Runic practice has the power of liberating Internal Judgment.

We need to convert ourselves into judges of consciousness. To awaken the Buddhata, the soul, is urgent. This Rune has the power of awakening the consciousness of the judges.

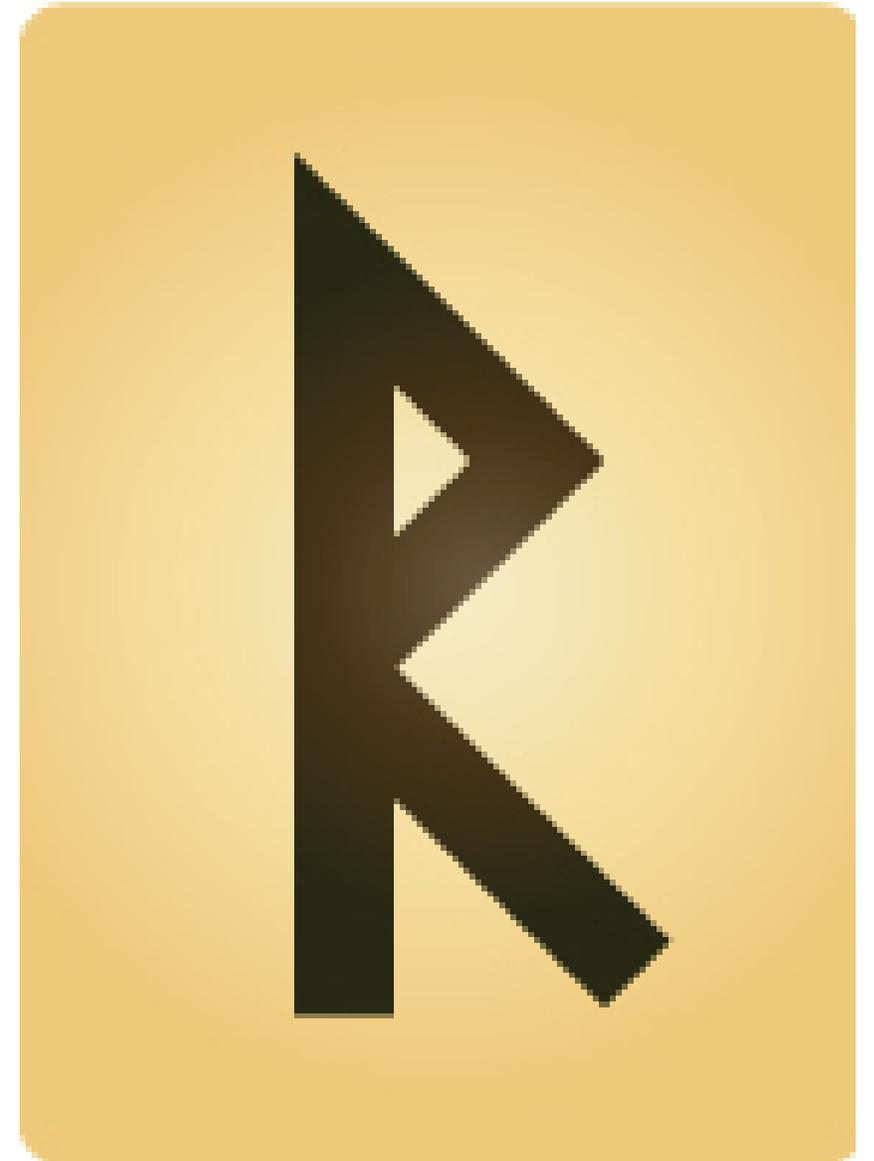

Let us remember what is called remorse, which certainly is the accusing voice of the consciousness.

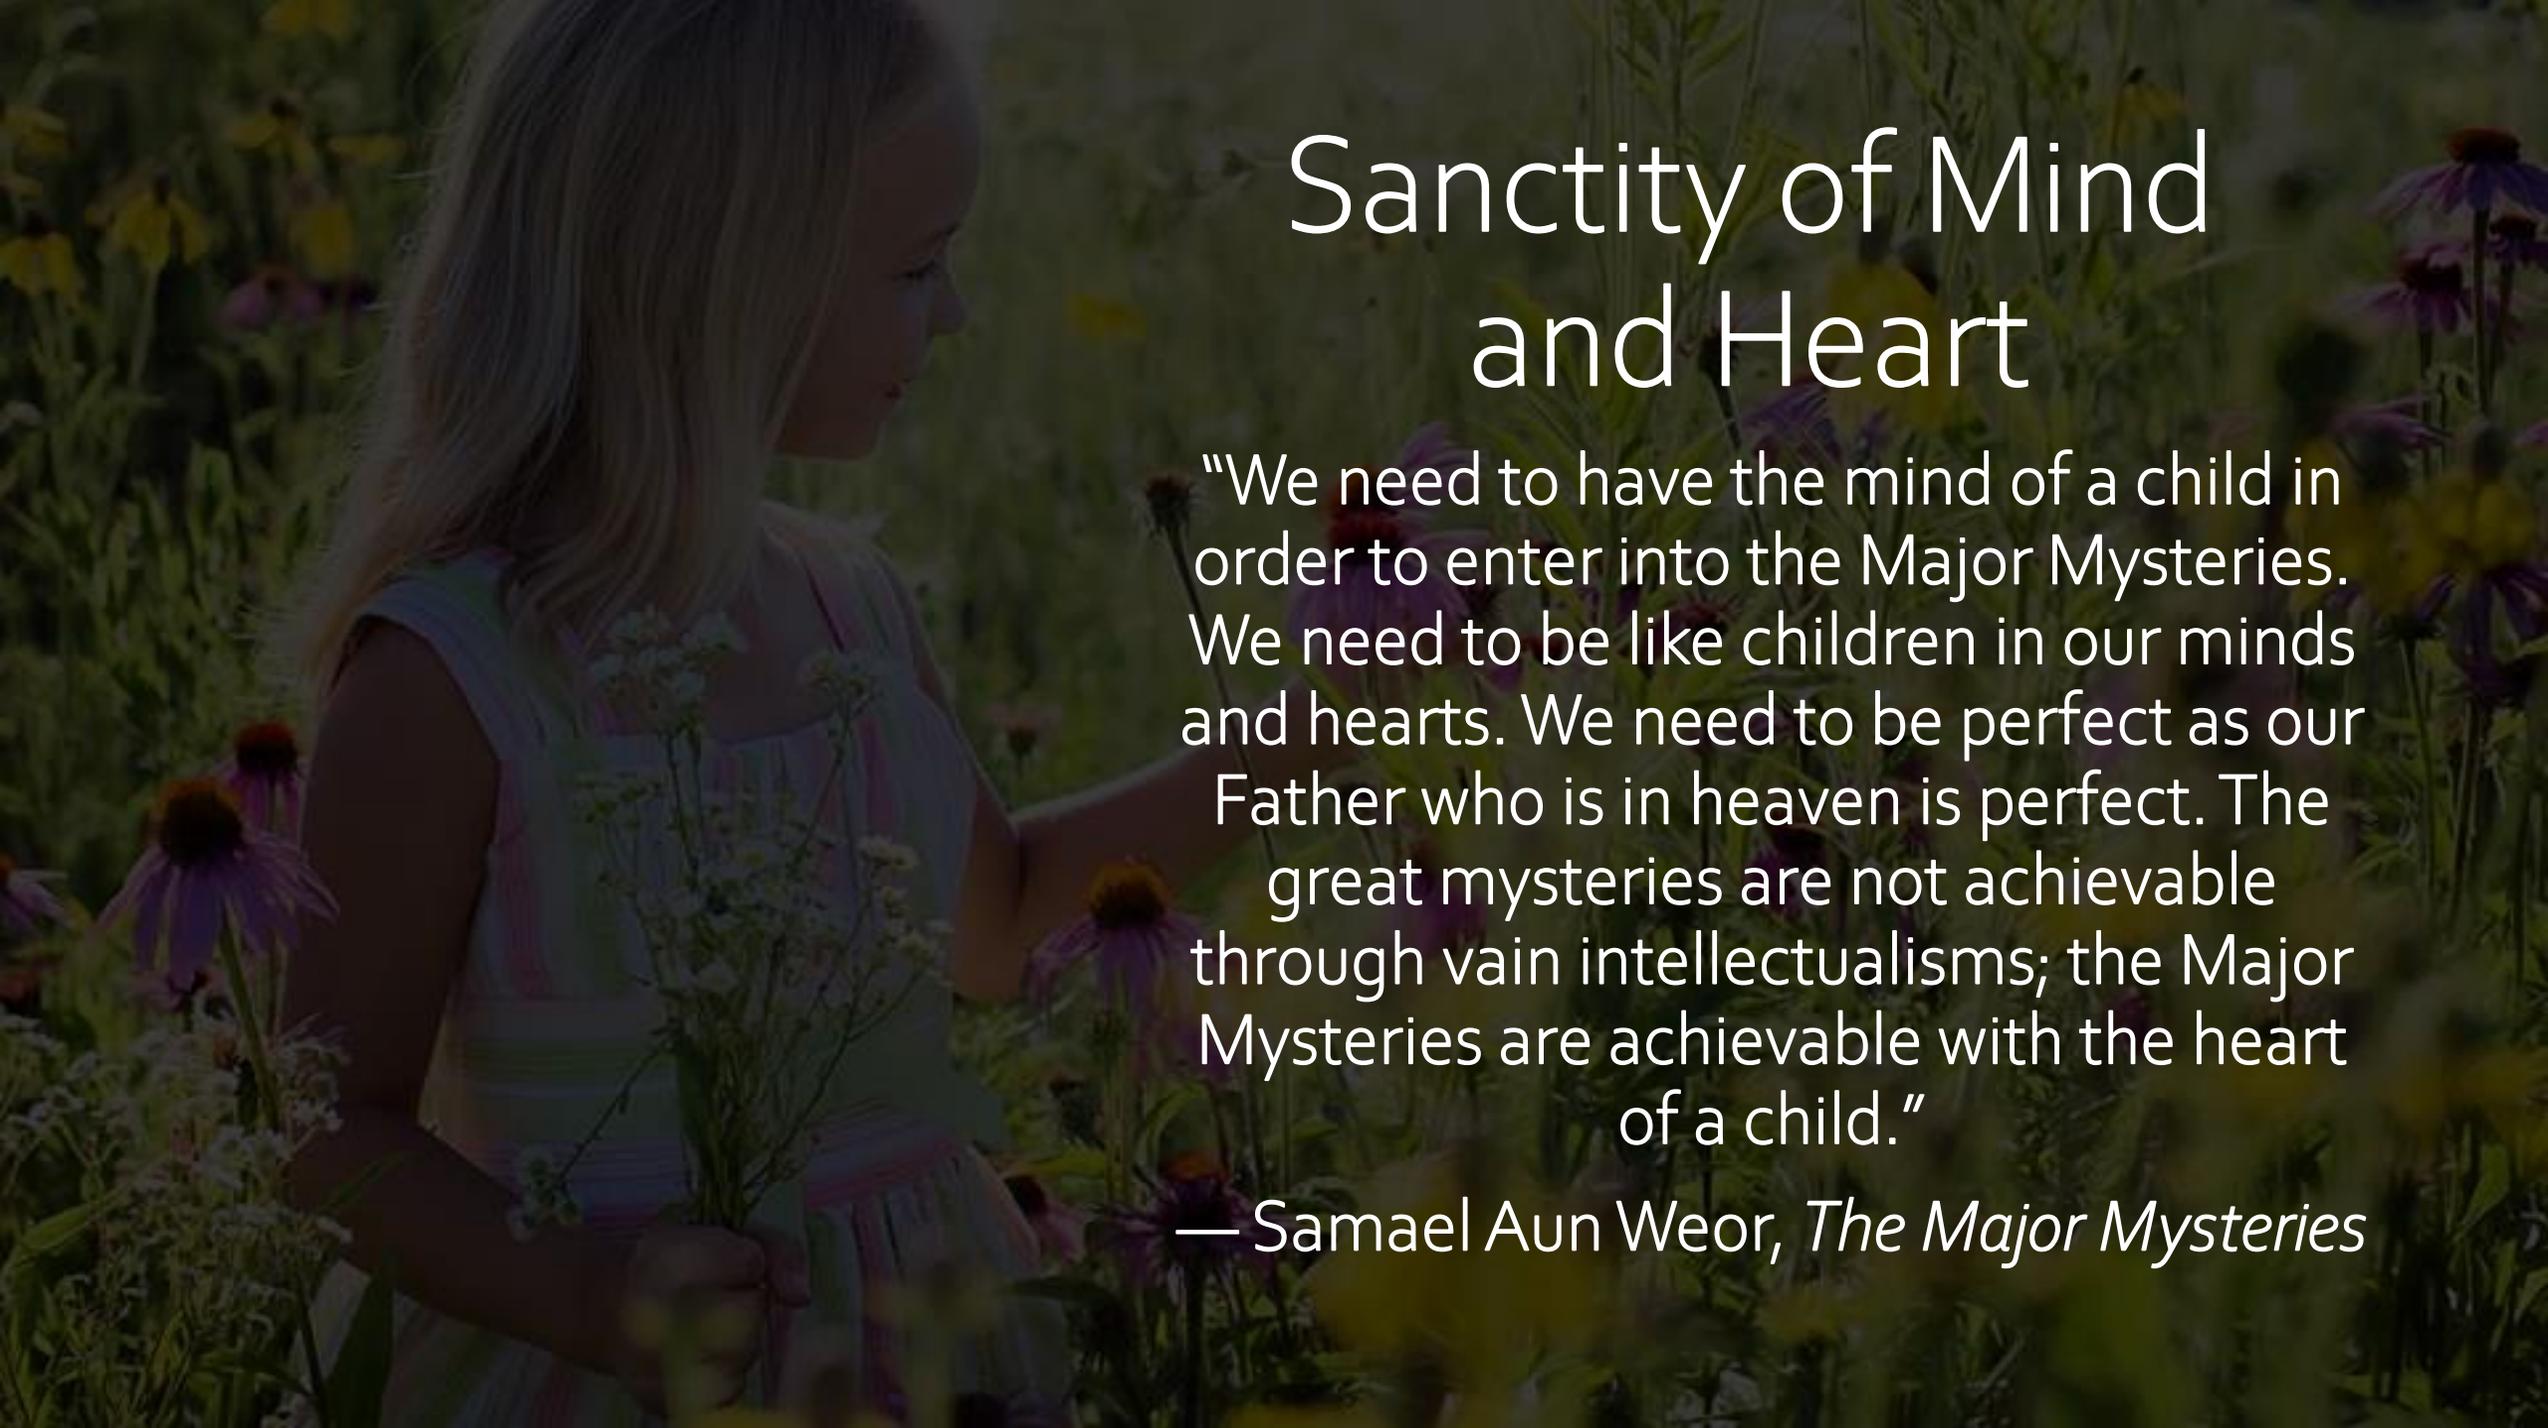

Those who never feel remorse are truly very far from their interior Judge. Commonly, they are lost cases.

People like that must work very intensely with the Rune Rita, thus they will liberate their Interior Judgement.

We need with urgency to learn to be guided by the voice of the silence, that is to say, by the Innermost Judge.”

— Samael Aun Weor, *The Magic of the Runes*

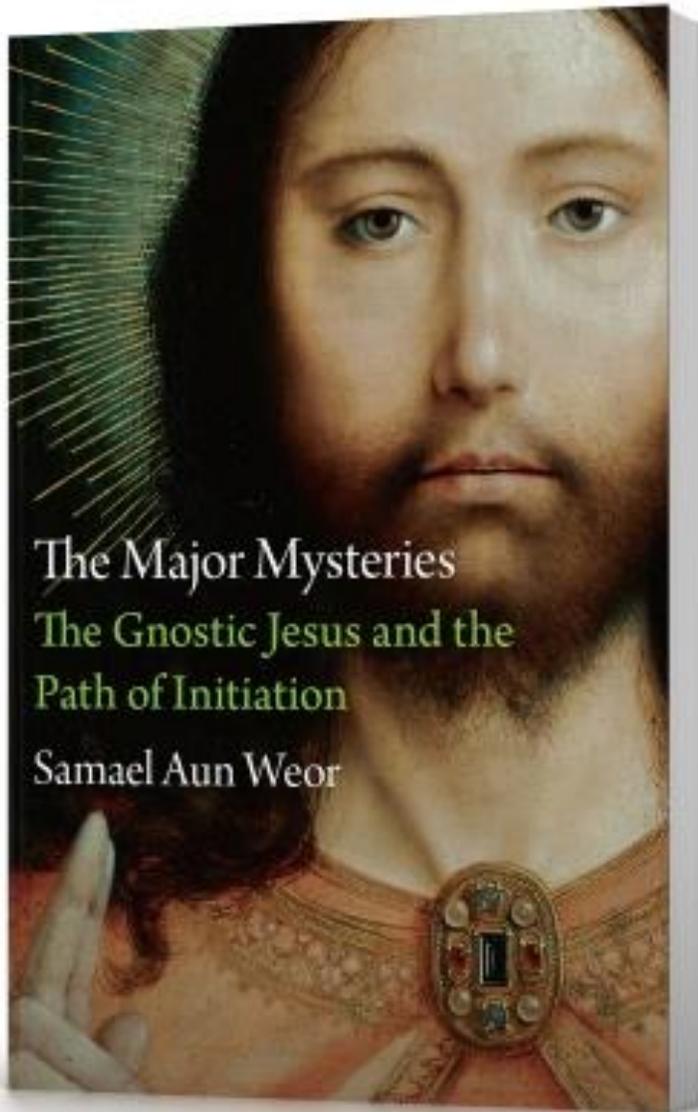

Sanctity of Mind and Heart

“We need to have the mind of a child in order to enter into the Major Mysteries. We need to be like children in our minds and hearts. We need to be perfect as our Father who is in heaven is perfect. The great mysteries are not achievable through vain intellectualisms; the Major Mysteries are achievable with the heart of a child.”

— Samael Aun Weor, *The Major Mysteries*

“When one enters into gnosis, one has to die in order to live; however, proud intellectual people who have the habit of thinking in accordance to their own whims, vanities, and prejudices are not good for these gnostic studies; this is a very difficult enterprise for intellectual people, because they only want to stuff their minds with these gnostic studies, and the reality is that gnosis is a very deep functionalism of the consciousness. What we have to do with the mind is to kill it, and thereafter to resurrect it, totally transformed.”

— Samael Aun Weor, *The Major Mysteries*

A photograph of two women walking away from the camera on a dirt path through a field of tall, golden-brown grass. They are walking towards rolling hills under a hazy, overcast sky. The woman on the left is wearing a dark top and shorts, and the woman on the right is wearing a light-colored dress. The overall mood is serene and contemplative.

Sexual Alchemy

"The only objective of the [first] five Initiations of Major Mysteries is the fabrication of the solar bodies. In Gnosticism and esotericism, one understands that the fabrication of the solar bodies and the incarnation of the Being are known as the Second Birth."

— Samael Aun Weor, *Practical Astrology*
